

**CANDIDATE FOR GOVERNING BOARD MEMBER  
SNOWLINE JOINT UNIFIED SCHOOL DISTRICT**

**NAME: KARIE LAFEVER**

**AGE: 50**

**OCCUPATION: Incumbent/Office Administrator**

As a candidate for the Snowline Joint Unified School Board of Trustees, I am excited to continue working for the children, as well as the taxpayers, while achieving the tradition of excellence we have all come to expect.

Our district is financially solvent while maintaining an outstanding educational environment for all students. Even though we continue to experience rapid growth, my focus is to ensure safe campuses, provide current technology, and give a solid foundation in basic academic skills.

My priorities are to:

- Ensure academic success for every student in our school district.
- Provide students with the technology and skills necessary to be successful in the changing world.
- Maintain a sound budget.
- Provide schools for our students now and in the future.

During my term on the School Board we opened three new schools, implemented class size reduction, opened pre-schools, continued to upgrade technology to support classroom instruction, and started our own police department.

"I am running for the Snowline School Board because I believe in the best possible education for every student."

**Vote Karie LaFever**, together we can continue to enrich our schools!
